Dear Tod and Elaine,

Thank you so much for your generous donation of a new custom pool liner, labor, materials and seasonal pool closing and opening services (value $35,000).

Your gift helps create meaningful experiences all year long where children with cancer, their siblings, and their families can spend time together, build lasting friendships, and simply enjoy being a family without cancer defining every moment.

From family experiences and seasonal gatherings to support programs and community events, your compassion makes it possible for families to connect with others who truly understand their journey. These moments of laughter, belonging, and respite are invaluable, and they happen because of caring supporters like you.

Your generosity is more than a donation—it is an investment in hope, resilience, and a community that reminds families they are never alone. On behalf of everyone at Camp Ta-Kum-Ta, thank you for believing in our mission and for helping ensure that families impacted by childhood cancer have a place to turn all year long.

With heartfelt thanks,

Erin Ulmer
Executive Director

"Thank you" is an understatement - we are immensely grateful for this gift of time + talent!
